## Circular Regarding Repeat-MSE for Third and Final Year Students

**Subject:** Regarding conduction of Repeat MSE for TY and final year students of AY 2022-23 of the institute from 22<sup>nd</sup> December to 29<sup>th</sup> December, 2022, as per the decisions in the 15<sup>th</sup> meeting of Academic Council

**Reference:** Minutes of Meeting (MoM) of 15<sup>th</sup> meeting of Academic Council of Govt. College of Engineering, Jalgaon (Available on the website of the institute)

It is hereby informed to all the concerned students, HoDs and faculty members that, with reference to the 15<sup>th</sup> meeting of Academic Council held on 18<sup>th</sup> October, 2022, a decision of conducting Repeat-MSE was taken. Accordingly, all the concerned should note the following points regarding the Repeat-MSE:

- It is decided to conduct a Repeat Mid-Semester Examination (Repeat-MSE) for the students securing less than 1/3<sup>rd</sup> marks in regular MSE (i.e. less than 10 marks out of 30).
- This provision is useful for those students who, for some reason, cannot perform well in regular MSE and secure less than 10 marks out of 30 (i.e. those with marks as 0 to 9 in regular MSE) in regular MSE and want to improve their performance at MSE.
- This repeat-MSE will be optional for those eligible students. The better of the two scores (viz. between the scores secured at regular MSE and repeat MSE) will be considered.
- The students who were absent for regular MSE have to apply for this repeat MSE (in the same format as of Make-up examination, available on the institute website) through the Head of the Department (HoD) along with the supporting documents for the reason of absence in regular MSE and seek appropriate permission for appearing at repeat-MSE.
- The students who were declared as FAIL in the earlier year and have taken the benefit of carry-forward for this year, can appear for repeat-MSE but have to apply in the same format as that of make-up examination, with a copy of R14 of earlier result (indicating FAIL result).
- For Third Year and Final Year students of A.Y. 2022-23, the repeat MSE will be conducted by all the departments during 22<sup>nd</sup> December to 29<sup>th</sup> December, 2022, as per the above rules.
