Patrons

Dr. S. K. Mahajan

Director, Technical Education, (MS), Mumbai.

Shri A. B. Jain

Chairman, Jain Irrigation Systems Ltd., Jalgaon and
Chairman, Board of Management,
Government College of Engineering, Jalgaon

Shri. D. P. Nathe

Joint Director, Technical Education, R. O. Nasik

Dr. A. B. Nandgaonkar,

Coordinator (procurement)-SPFU, DTE, Mumbai

Shri. Avinash Amte,

Coordinator (Academic)-SPFU, DTE, Mumbai

Dr. R. P. Borkar

Principal, Government College of Engineering,
Jalgaon

Convener

Dr. R. D. Kokate (Head, Instrumentation Engg.)

Coordinators

Dr. G. M. Malwatkar(9225617649)

E-Mail: gajananm@gmail.com

Prof. Mahesh S. Patil (9422223957)

E-Mail: maheshdip@gmail.com

Technical and Advisory Committees

Dr. M. J. Sable, Head: Mech. Engg.

Prof. S. O. Dahad, Head E & TC

Dr. S. S. Pusadkar, Head: Civil Engg.

Prof. Atul Phadke, Head, Electrical Engg.

Prof. D. V. Chaudhari (Head, Computer Engg.)

Prof. (Mrs.) M. S. Phalak, Head: Applied Engg.

Prof. G. K. Andurkar, TEQIP Coordinator.

Prof. S.D.Gadhire, FSD Nodal Officer.

Government College of Engineering, Jalgaon
(An Autonomous Institute of Govt. of Maharashtra)

"Globally Acceptable Engineers with Human Skills"

Organized

Workshop

on

**"INDUSTRY ORIENTED SKILL
DEVELOPMENT WORKSHOP ON CONTROL
SYSTEMS: THEORY TO PRACTICE"**

16th March to 18th March 2017

Sponsored By

**Technical Education Quality improvement
Program (TEQIP Phase II)
SPFU, Mumbai, Maharashtra State**

Organised by

**Instrumentation Engineering,
Government College of Engineering,
Jalgaon –425002(M.S.) INDIA**

In association with

**Cybermotion Technologies Pvt. Ltd.
Hyderabad**

Phone: 0257 – 2281522 Fax: 0257– 2281319

About Institute:

The Government College of Engineering, Jalgaon (GCOEJ), established in the year 1996, is a Autonomous Institute of Govt. of Maharashtra. The Institute is AICTE approved and affiliated to North Maharashtra University, Jalgaon. The institute conducts six undergraduate engineering courses namely Civil, Computer, Electrical Electronics and Telecommunication, Instrumentation and Mechanical Engineering. The Institute has post graduate course in Electronics and Telecommunication Engineering with specialization in Digital Systems. The institute is selected by Central and State Government for Technical Education Quality Improvement Program (TEQIP) phase-II.

Jalgaon City:

Jalgaon is a historical city and premier educational center in Khandesh region of Maharashtra State in INDIA. World famous Ajanta and Ellora caves are in close vicinity. City is well connected by rail and road transport. The Jalgaon city is 20Km from Bhusawal railway junction which is one of the largest railway yards of the Indian subcontinent and 150KM North of historic city, tourism capital and Central City of Maharashtra: Aurangabad.

Background:

Control Systems are added entities to existing system, primarily setup to achieve desired system specifications. All the systems existing in the world require a control system to acquire desired set points in a constrained environment. Although, these systems require extensive knowledge of the control strategies in order to achieve outputs in an optimum way. Control systems are ubiquitous and

hence deserve proper understanding to its fundamentals. Therefore, in a competitive industrial environment it is mandatory for every Engineer to understand it and become proficient in up-to-date control strategies. By the end of this workshop participants will become capable enough to design and develop their own projects and to change their own ideas into real practical models. Control Systems is an inter-disciplinary field, requiring an engineer to have the attributes of designing regulatory and optimum systems. Hence it is important to understand both sides of this multidisciplinary field. Workshop Participants will become capable enough to understand and apply the control concepts on industrial automation applications.

Course scope:

To Make Workshop participants familiar with conceptually and practically to the fundamental concepts of Control Systems and their application to real world problems. The workshop is designed to get hands-on experience on control systems using the soft tools and study conventional and advanced control strategy..

Eligibility:

Faculty members, PG / Ph.D. students of E&TC, Electrical, Instrumentation, Computer/IT and research scholars from AICTE approved Engineering and polytechnic Institutes. Interested faculty members from Mechanical Engineering and Technical Persons from industry are also eligible to participate. Participants are required to register in advance using the enclosed Registration Form.

Registration:

Interested participants are requested to send, filled and duly signed Registration form to “Principal, Government College of Engineering, Jalgaon” payable at Jalgaon.

Fees:

The workshop is fully sponsored by SPFU, Maharashtra State, including registration fees and all expenses during the workshop.

Travelling, lodging and boarding arrangement have to made by the participants. However, limited seats of normal accommodation will be made available on request in the guest house. Also guidance for arranging outside accommodation will be provided.

Last Date of Registration: 15th March 2017

Registration Form (Scan/photocopy) should reach on or before **15th March 2017 to the coordinator** by post/courier/email.

Scan copy to E-mail: maheshdip@gmail.com is preferred.
