### **Regulations for the UG/PG Programme**

**Regulation  
No.**

**Description**

**R 1. General**

- R 1.1 These regulations shall be called as the regulations for the UG/PG programmes of the Institute.
- R 1.2 These regulations shall come into force on such date as the BoM or Director/Principal may decide after receiving the autonomous status to the Institute. **(i.e. with effect from academic year 2014–15)**

**R 2. Programmes and their Duration.**

- R 2.1 The Institute shall offer Undergraduate programmes leading to Bachelor’s degree in Technology (B. Tech.) as shown in Table 1.

**TABLE-1: UG PROGRAMMES LEADING TO BACHELOR’S DEGREE**

<b>Sr No</b>	<b>Branch</b>	<b>Degree</b>	<b>Code</b>
1	Mechanical Engineering	B. Tech. (Mechanical Engineering)	ME
2	Electronics & Telecommunication Engineering	B. Tech. (Electronics & Telecommunication Engineering )	ET
3	Instrumentation Engineering	B. Tech. (Instrumentation Engineering)	IN
4	Electrical Engineering	B. Tech. (Electrical Engineering)	EE
5	Computer Engineering	B. Tech. (Computer Engineering)	CO
6	Civil Engineering	B. Tech. (Civil Engineering)	CE

- R 2.2 The minimum duration of UG programmes leading to B. Tech. degree is normally eight semesters and maximum duration to complete UG programme shall be six years. However a student shall complete (pass in all passing heads i. e. no ATKT) first year of UG programme within three years from the date of initial registration to first year. While in case of lateral entry including direct admission to second year students or the student switching from University pattern to autonomous patter, the maximum duration for the completion of UG program shall be normal time period for completion of remaining UG program from the date of initial registration in autonomous pattern plus two years. This maximum duration to complete the first years / UG programme includes the period of withdrawal, absence and different kinds of leaves permissible to the students but it shall exclude the period of rustication of the student from the

Institute. However, genuine cases on confirmation of valid reasons may be referred to Academic Council for extending this limit by additional one year for both to complete the first years / UG programme.

- R 2.3 In matter of admission to the B. Tech programme (including reservation, direct second year admission etc) the decision of the competent authority of Government shall be final
- R 2.4 The candidate shall be provisionally admitted to UG programme subject to fulfillment of eligibility criterion as prescribed by NMU, Jalgaon.
- R 2.5 The Institute shall offer postgraduate programmes leading to Master's degree in Technology (M. Tech.) as shown in Table 2.

**TABLE-2: PG PROGRAMMES LEADING TO MASTER'S DEGREE**

Sr No	Branch	Degree	Code
1	Electronics and Telecommunication Engineering	M. Tech. Electronics and Telecommunication (Digital System)	ET

- R 2.6 The minimum duration of full time PG programmes leading to M. Tech. degree is normally four semesters. The maximum duration to complete full time PG programme shall be four years from the date of initial registration to first year. While in case of lateral entry ( the student switching from University pattern to Autonomous patter), the maximum duration for the completion of full time PG program shall be normal time period for completion of remaining M.Tech program from the date of initial registration plus two years. The maximum duration of the programme includes the period of withdrawal, absence and different kinds of leaves permissible to a students but it shall exclude the period of rustication of the student from the Institute. However, genuine cases on confirmation of valid reasons may be referred to Academic Council for extending this limit by additional one year.
- R 2.7 The minimum duration of part time PG programmes leading to M. Tech. degree is normally six semesters. The maximum duration to complete part time PG programme shall be six years from the date of initial registration to first year. While in case of lateral entry ( the student switching from University pattern to Autonomous patter), the maximum duration for the completion of part time PG program shall be normal time period for completion of remaining M.Tech program from the date of initial registration plus four years. The maximum duration of the programme includes the period of withdrawal, absence and different kinds of leaves permissible to a students but it shall exclude the period of rustication of the student from the Institute. However, genuine cases on confirmation of valid reasons may be referred to Academic Council for extending this limit by additional one year.
- R 2.8 In matter of admission to the full time/part time M. Tech programme (including reservation) the decision of the competent authority of Government shall be final
- R 2.8 The candidate shall be provisionally admitted to PG programme subject to fulfillment of eligibility criterion as prescribed by NMU, Jalgaon.

### **R 3. Semester System**

- R 3.1 The academic programmes in the Institute shall be based on semester system; two semesters in a year with minimum 90 working days in each semester and appropriate *winter/summer* vacations.
- R 3.2 The curriculum shall consist of credit courses and audit (non-credit) courses.
- R 3.3 Each credit course shall have an integer number of credits assigned to it depending upon the academic load of the course, which would be assessed on the basis of weekly contact hours of theory lecture and laboratory classes, field study etc.

R 3.4 The courses offered in a semester shall be continually assessed and evaluated to judge the performance of a student.

#### **R 4. Curriculum Structure**

R 4.1 The curriculum of UG programme is designed to have a total of 184 credits for the award of the degree. It shall include courses from basic sciences, basic engineering skills, humanities, programme core, electives (including inter disciplinary elective), need based courses and supervisory learning like mini project, major project, industrial lectures, industrial visits/industrial training etc.

R 4.2 The curriculum of PG programme is designed to have a total of 70 credits for the award of the degree.

R 4.3 No semester shall have more than five theory courses and five laboratory courses with maximum 11 passing heads in a semester as prescribed in the curriculum.

R 4.4 The medium of instruction, examination and all reports shall be English.

#### **R 5. Course Codes**

R 5.1 The courses offered by the institute shall have an alphanumeric course code consisting of a string of five characters followed by the title of the course. The first two characters in a course code shall be capital letters identifying the respective department offering the course (refer table 1 and 2) and next three are numeric; first digit indicating the year of study (refer table 3) and rest indicating course number in that semester.

TABLE – 3: DIGIT INDICATING THE YEAR OF STUDY

Year of Study	First Year UG	Second Year UG	Third Year UG	Fourth Year UG	First Year PG	Second Year PG
Digit	1	2	3	4	5	6

#### **R 6. Course Credits**

R 6.1 Each credit course shall have an integer number of credits, which reflects its weightage. The student earns credits by passing corresponding courses. The number of credits of a course in a semester shall ordinarily be calculated as under:-

(a) Lectures: One lecture hour per week shall be assigned one credit.

(b) Practical /Tutorial: One laboratory/Tutorial hour per week shall be assigned half a credit. Not more than four credits may be assigned to a practical course having only laboratory component. .

(c) Special courses like minor and major projects, seminar, general proficiency in the UG programme and seminar, dissertation in PG programme shall be treated as any other course and shall be assigned such number of credits as may be approved by the Academic Council.

(d) The fraction number of credits for a particular course shall be approximated to next whole number.

#### **R 7. Audit Point**

In addition to academic credits, student has to complete audit courses for obtaining audit points as given below.

R 7.1 **Co-curricular Activity:** Co-curricular Activity: A minimum 12 audit points for co-curricular activities shall be earned by the UG student during his course of study distributed over at least 4 semesters while PG student shall earn minimum 12 audit points for co-curricular activities/courses which shall include at least one paper with guide published in national/international conference or referred journal. There is no limit on maximum audit points earned by the student. The final grade sheet will include

the actual number of audit points earned by the student during his entire course of study. For lateral entry admission in UG (direct admission to second year, students absorbed from university pattern etc), student shall obtain a minimum audit points at the rate of 3 audit points per year of study in autonomous pattern for co-curricular activities distributed over at least 3 semesters (2 in case of admission in final year). (Refer table 4 for audit point assigned to specific activity. BoS can add activity with prior approval of Academic Council)

TABLE – 4: AUDIT POINTS FOR VARIOUS CO-CURRICULAR ACTIVITIES

Sr. No.	Activity	Audit points
1	Technical Conference Attended (Minimum State Level)	01 per conference
2	Technical Paper Presentation authored by at the most three students (Minimum State Level)	01 per paper
3	Award Winning Technical Paper Presentation authored by at the most three students (University/State level)/Publication in conference	2 per paper
4	Award Winning Technical Paper Presentation authored by at the most three students (National level)/ Publication in referred journal	4 per paper
5	Participation in Project/Working Model /software competition(university and above level)	1 per event
6	Winner/Runner in Project/Working Model /software competition(university/state level)	2 per event
7	Winner/Runner in Project/Working Model /software competition(national level)	3 per event
8	Technical Workshop	Proportional to one audit point per workshop of 2 days
9	Technical Courses other than curriculum	Proportional to one audit point per 14 hours of study
10	Professional Society Membership	01
11	Any Foreign Language Course	Proportional to one audit point per 14 hours of study
12	Any other Relevant Activity/Course approved by Chairman BoS	Proportional to one audit point per 14 hours of study

R 7.2 **Extra-curricular Activity:** A minimum 12 audit points for extra - curricular activities shall be earned by the UG student during his course of study distributed over at least 4 semesters. There is no limit on maximum audit points obtained by the student. The final grade sheet will include the actual number of audit points obtained by the student during his entire course of study.

For lateral entry admission in UG (direct admission to second year), student shall obtain a minimum audit points at the rate of 3 audit points per year of study in autonomous pattern for co-curricular activities distributed over at least 3 semesters (2 in case of admission in final year). (Refer table 5 for audit point assigned to specific activity. BoS can add activity with prior approval of Academic Council)

The DFB shall be responsible for considering all the policy issues concerning academic and research programmes of the department. The DFB shall formulate academic programmes, courses and detailed syllabi based on structure as recommended by the BoS and send its recommendations to the BoS for its consideration.

### **R 12. Starting a New Programme**

- R 12.1 (a) The BoM/State Government may approve starting of a new programme or a modified programme in lieu of the old phased-out programme on the recommendation of the Academic Council.
- (b) A new programme may be considered and recommended by the Academic Council to the BoM for its consideration and approval. Such a proposal will be initiated by a department and considered and recommended by the BoS, APEC.
- (c) An interdisciplinary programme may be proposed by a department in consultation with other participating department(s), or by a group of department(s), or by a committee appointed by the Director/Principal for the consideration of the APEC and the Academic Council for their recommendation to the BoM / Government / AICTE for obtaining its approval.

### **R 13. Registration**

- R 13.1 Every student admitted shall have his/her unique registration number. The registration number shall have seven digits. First two digit shall indicate year of admission; next one digit shall indicate his/ her programme (Mechanical Engineering - 0, Electronics and Telecommunication - 1, Instrumentation Engineering – 2, Electrical Engineering - 3, Computer Engineering - 4, Civil Engineering - 5); next one digit shall indicate the year of programme in which student registered first time (First Year UG - 1, Second Year UG - 2, Third Year UG - 3, Final Year UG - 4, First Year PG - 5, Second Year PG – 6) and last three digits shall indicate his /her serial number / roll number. Every student shall be identified by this number through-out his UG/PG programme.
- R 13.2 Registration at the beginning of each semester on the prescribed dates announced from time to time by payment of the stipulated fees is compulsory for every student till he/she completes the UG/PG Programme.
- R 13.3 Registration, according to rules, should be carried out on the first two days of each semester. Late registration may be permitted only for valid reasons and on payment of a late registration fee as specified in academic calendar. In any case, registration must be completed before the prescribed last date for registration, failing to which his/her admission in the concerned semester is liable to be cancelled. Students having outstanding dues to the Institute or hostel shall be permitted to register only after clearing the dues.

- R 13.4 In-absentia registration may be allowed only in exceptional cases at the discretion of the Dean –Academics.
- R 13.5 Every student shall register for the courses that he/she wants to study for earning credits.
- R 13.6 For the registration of second year (III<sup>rd</sup> semester) of UG/PG the student should have earned at least 75% of the total credits (rounded to nearest lower integer) of first year of UG/PG respectively.
- R 13.7 For the registration of third year (V<sup>th</sup> semester) of UG the student should have earned all credits of first year and at least 75% of the total credits (rounded to nearest lower integer) of second year.
- R 13.8 For the registration of fourth year (VII<sup>th</sup> semester) of UG the student should have earned all credits of first and second year and at least 75% of the total credits (rounded to nearest lower integer) of third year.
- R 13.9 Re-registration:** Any student who is allotted Z grade (refer R14.6 and R20) in any course shall re-register for that course in next or any sub-sequent term as and when institute offers that particular course. For such students; other rules of passing shall be same. All such aspiring students shall pay re-registration fees as decided by academic council and approved by BoM (Refer Appendix E for present rates).
- R13.10 For the registration of even semester of UG/PG, all the students who had registered for preceding odd semester should be eligible.

#### **R 14 Attendance, Absence, Leave Rules and Dismissals**

- R 14.1 All the students are expected to be present in every lecture, tutorial, practical, NCC/NSS/CSP scheduled for them. Attendance shall be closely monitored.
- R 14.2 A student must have a minimum attendance of 75% of the total number of classes (lectures, tutorials and practical), held in a course before the corresponding examination i.e. In Semester Examination-I, In Semester Examination-II and End Semester Examination in order to be eligible to appear for the respective examination in that course.
- R 14.3 The names of the students who have remained absent, for more than 25% of the actual classes held in a course will be intimated by the Course Coordinator on the last teaching day of respective examination, to the students in the class with intimation to the concerned HoD, who will consolidate the list for all such students for all the courses and display it on the notice board of the department with an intimation to Dean Academics, declaring them not eligible to appear for the respective examination.
- R 14.4 If a student is continuously absent in the class for more than four weeks without informing to the course coordinator, the course coordinator shall immediately bring it to the notice of concerned HoD and the Academic Section.
- R 14.5 *Exemption in Attendance:* Those students who have more than 75% attendance for the period other than their medical leave be considered for exemption in attendance provided their overall attendance in a course including the period of illness does not fall below 60%. A student has to apply for leave on medical grounds to concerned HoD within three working days (both days inclusive) of the day of rejoining to the institute and such application shall be accompanied with a medical certificate from a registered medical practitioner and endorsed by parents or guardian.
- R 14.6 If a student is not allowed to appear for the end semester examination due less attendance in the course, his/her registration for that course will be treated as cancelled, and he/she shall be awarded 'Z' grade (Z stands for registration cancelled for non-completion of course requirement) in that course. This grade shall appear in the grade card till the course is successfully completed.

- R 14.7 **ESE make up examination:** If a regular student (who has registered for the course first time) is absent during End Semester Examination (ESE) of a course due to medical reasons (accident and / or hospitalization of a student) or other emergency circumstances (death of immediate close relative i.e. father, mother, brother, sister, grandfather, grandmother and spouse), a single make up examination (ESE make up examination) shall be held as per academic calendar. His / her application must be supported by proper medical certificate with registration number of hospitalization/discharge certificate and approved in the meeting of all HoDs. In the event of death of immediate close relatives, the application should be supported by adequate evidence for the same. Schedule for such additional End Semester Examination shall be displayed by CoE.
- R 14.8 **ISE make up exam :** If a student is absent during In Semester Examination (IES) of a course due to (a) medical reason (Accidents / hospitalization of a student etc.); (b) other emergency circumstances (death of immediate close relative i.e. father, mother, brother, sister, grandfather, grandmother and spouse); or (c) placement activity/ representation at University or higher level competition (with recommendation of concerned Dean and pre-permission of Principal), a single make up examination (ISE make up examination) shall be conducted as per academic calendar. In case of medical reason the application must be supported by proper medical certificate with registration number of hospitalization /discharge certificate while in the event of death of immediate close relative the application must be supported by adequate evidence for the same and approved in the meeting of all HoDs. Schedule for such additional ISE shall be displayed by CoE.
- R 14.9 The student absent for any Examination should submit an application to the concerned HoD within five days (both days inclusive) of the date of the examination missed, explaining the reasons for absence along with documentary evidence. Applications received after this period will not be entertained.
- R 14.10 A student who misses the make-up examination will not normally be given another make-up examination. However in exceptional cases of prolonged illness resulting in the student missing a make-up examination, the Principal in consultation with the HoDs may permit the student to appear for a second make-up examination depending on the availability of time span before the commencement of the next semester.

### **R 15 Examination Scheme and Revaluation:**

The Academic Council will decide Examination Scheme from time to time.

- R 15.1 A student shall be evaluated for his / her academic performance in a course through various components as specified in curriculum structure.
- R 15.2 The 'In Semester Examination I' (1/3<sup>rd</sup> syllabus) shall be conducted at the end of 6<sup>th</sup> week, the 'In Semester Examination II' (1/3<sup>rd</sup> syllabus other than that covered in 'In Semester Examination-I') shall be at the end of 11<sup>th</sup> week and End Semester Examination shall be conducted at the end of the semester.
- R 15.3 Duration of ISE-I and ISE-II shall be one hour each and that of ESE shall be three hours or as specified in curriculum structure for the examination of 60 marks and two hours for the examination of 30 marks.
- R 15.4 There shall be three ESE winter (November /December), summer (April/May) and re-examination (June) in one academic year.
- R 15.5 It is mandatory to secure at least 40 % of maximum marks in total and at least 1/3<sup>rd</sup> of maximum marks assigned to ESE of that course in ESE to pass the course. It implies, any student securing more than 40 % marks in total in any course but less than 1/3<sup>rd</sup> of maximum marks assigned for ESE of that course in ESE shall be declared as fail (F grade).

- R 15.6 A fail student (F grade) shall be allowed to appear the ESE to convert F grade to any other pass grade and earn the credit at the time of next examination by maintaining or cancelling his/her performance of other evaluation tools/tests. If performance of other evaluation tools/tests has been cancelled, then ESE marks shall be proportionately converted. Such students shall clearly state at the time of submission of examination forms, whether his/her performance of other evaluation tools/tests is to be maintained or cancelled.
- R 15.7 **Revaluation:** Revaluation for all examinations for all theory courses shall be permitted as per the procedure and rules specified in examination rules of this institute (Refer examination rule number 13 and 14).

- R 18.8 If a student is found guilty of malpractice in examinations and overall misconduct during his/her stays in the institute, he/she will be punished as per the recommendations of the Discipline and Redress Committee. The maximum punishment may be expulsion from the institute.

### **R 19. Withdrawals**

- R 19.1 Withdrawal on medical grounds/other very exceptional reasons may be permitted by APEC, subject to a maximum of two semesters during the student's entire stay.
- R 19.2 A student who wants to withdraw from a course shall apply through the HoD to the Dean - Academics, on a prescribed form within one week from the end of the first In Semester Examination and it will be recorded in the registration record of the student and the concerned Course Coordinator will be informed about it. The student will be awarded a withdrawal grade 'W' at the end of the semester.
- R 19.3 In case a student is unable to attend classes for more than four weeks in a semester, he/she may apply to the Dean (Academics) through HoD for withdrawal from the semester, which shall mean withdrawal from all the registered courses in the semester. However, such application shall be made as early as possible and latest before the start of the End Semester Examination.
- R 19.4 In case the period of absence on medical grounds is more than fourteen working days during the semester, a student may apply for withdrawal from the semester, if he/she so desires. But, as per provisions of R 14.5, such an application must be made to the Dean (Academics) through HoD, as early as possible and latest before the beginning of End Semester Examination.

### **R 20. The Grading System**

- R 20.1 For every course taken by a student he/she is assigned a grade based on his/her combined performance in all components of evaluation scheme of a course. The grade indicates a qualitative assessment of the student's performance and is associated with equivalent number called a grade point.
- R 20.2 The academic performance of a student shall be graded on a ten-point scale following guidelines given in Appendix-A to C. The letter grades and their equivalent grade points are listed in Table 6.

**TABLE 6: STRUCTURE OF GRADING OF ACADEMIC PERFORMANCE**

<b>Academic Performance</b>	<b>Grades</b>	<b>Grade Points</b>
Outstanding	A+	10
Excellent	A	9
Very Good	B+	8
Good	B	7
Average	C+	6
Marginal	C	5
Poor	F	0
Incomplete	I	Subsequently to be changed
Withdrawal	W	-
Non Completion of course requirement	Z	-
Extension (in project/dissertation only)	X	-

**Explanation:****‘F’ Grade**

- The ‘F’ grade denotes poor performance.
- A student has to repeat all mandatory courses in which she / he obtains ‘F’ grade, until a passing grade is obtained.
- For the elective courses in which ‘F’ grade has been obtained, the student may take the same course or any other course from the same elective group.

Further, ‘F’ grades secured in any courses stay permanently on the grade card. Repeated failure in a course shall reflect in the form of multiple “F”.

**‘I’ Grade**

- This grade indicates ‘Incomplete’ course due to absence in ESE. The grade is required to be converted into a regular letter grade as per provisions.

**‘W’ Grade**

- This refers to withdrawal from the course.

**‘X’ Grade**

- This grade is awarded for incomplete Project work and will be converted to a regular grade on the completion of the Project work and its evaluation.

**‘Z’ Grade**

- This grade stands for registration cancelled for non-completion of course requirement.

R 20.3 The letter Grades (up to C only) awarded to a student in all the courses shall be converted into a SGPA and CGPA, to be calculated as given in Appendix – D.

**R 21. Grade Moderation Committee**

R 21.1 The Grade Moderation Committee shall be appointed semester wise and BoS wise by the chairman, BoS who shall work as chairman of the committee and it shall include all the concerned course coordinators. The committee shall be responsible for adherence to the guidelines for the award of grades. The Chairman, Grade Moderation Committee shall display the grades and forward the final grades to the AEC office.

**R 22. Grade Card**

R 22.1 The grade card issued at the end of the semester to each student will contain the credits for each course registered for that semester; the letter grade obtained in each course; the total number of credits earned by the student up to the end of that semester in each of the course; the SGPA and the CGPA.

R 22.2 Grade card will not indicate class or division or rank.

**R 23. Award of Degree**

R 23.1 The Degree shall be awarded by NMU, Jalgaon on the recommendation of Academic Council / BoM on the fulfillment of following conditions.

R 23.2 For the award of UG degree, the student should have earned 184 credits, 12 audit points in co-curricular and extra-curricular activities each and secured minimum of 5.5 CGPA.

R 23.3 For the award of PG degree, the student should have earned 70 credits, 12 audit points in co-curricular activities, published at least one paper on dissertation topic in international conference/journal and secured minimum of 6.0 CGPA.

R 23.3 A student, who has earned the minimum credits required for a degree but fails to obtain the minimum, specified CGPA for this purpose, shall take additional courses or repeat the courses mentioned in program to get minimum required CGPA, subject to maximum duration of program as specified earlier.

R 23.4 A student should have obtained the eligibility in the first year of admission by procedure.

R 23.5 The student should have no case of indiscipline pending against him/her.

**R 24. Award of Medals/ Scholarships**

R 24.1 Awards available under excellent performances in sports, cultural, extracurricular, debate, etc. shall be given to the students as per prevailing norms.

R 24.2 The award of scholarships / free ships and other benefits will be in accordance with rules framed by the Government of Maharashtra and Govt. of India.

R 24.3 The award of merit scholarships/ Medals, if any, to the students will be governed by the regulations framed by the BoM/Academic Council from time to time. **At present; institute has decided for “Institution of Medals” as approved in 4<sup>th</sup> meeting of academic council (Refer Appendix F for details)**

**R 25. Interpretation of Regulations**

R 25.1 In case of any dispute, difference of opinion in interpretation of these regulations or any other matter not covered in these regulations, the decision of the Chairman, Academic Council shall be final and binding.

**R 26. Academic Calendar**

R 26.1 The academic activities of the Institute are regulated by academic calendar approved by the BoM on the recommendation of Academic Council from time to time and made available to the students / faculty members and all other concerned in printed and / or electronics form. It is mandatory for students / faculty to strictly adhere to the academic calendar for completion of academic activities.

**R 27. Emergent Cases**

R 27.1 Notwithstanding anything contained in the above regulations, the Chairman of the Academic Council may, in emergent situations take action on behalf of the Academic Council as he deems appropriate and report it to the next meeting of the Academic Council for its approval.

**R 28. Power to Modify**

R 28.1 Notwithstanding all that has been stated above, the Academic Council has the right to modify any of the above regulations from time to time.

**Guidelines for the Award of Grades**

The following are the general guidelines for the award of grades:

- (i) For each student, evaluation in different components of a course shall be done in absolute marks as per the evaluation scheme.
- (ii) The marks of various components shall be added to get total marks secured as per evaluation scheme.
- (iii) For less than 15 students in a course, the grades shall be awarded on the basis of natural cut-off in the absolute marks (Appendix B).
- (iv) For 15 and more number of students in a course, the statistical method shall be used for the award of grades with or without marginal adjustment for natural cut-off. The salient features of statistical method are given in Appendix-C.
- (v) A+ (A Plus) grade shall not be awarded for percentage of marks less than 80 under any circumstances. There shall not be more than 10% (rounded off to integer value) A + grade in any course.
- (vi) In general; C grade shall not be awarded for marks less than 40% and a student having 40% or more marks in total and at least 1/3<sup>rd</sup> of maximum marks in ESE shall not be awarded F grade.
- (vii) The overall distribution of different grades shall be as indicated in the statistical distribution to the extent possible. (Appendix – C)
- (viii) The provisional grades shall be awarded by MIS at the end of revaluation process and the grades shall be finalized by the Grade Moderation Committee following the guidelines specified in Appendix B and/or Appendix C. The grades so awarded shall be moderated by a Grade Moderation committee for that semester of the department. This committee will finalize the grades and display a copy of the grades awarded on the Notice board of the Department. All the final grades shall be communicated to the Dean, Academics within three days from the date of display of grades.

## Appendix-B

### Award of Grade Based on Absolute Marks System

The award of grades based on absolute marks out of 100 shall be made as given in Table No 7:

**TABLE 7 - RANGE MARKS AND GRADE**

<b>RANGE MARKS</b>	80 -100	71-79	62 - 70	54- 61	46 - 53	40 - 45
<b>GRADE</b>	A+	A	B+	B	C+	C

## Appendix – C

### Statistical Method (Relative Grading) for the Award of Grades

For the award of grades in a course, all component-wise evaluation shall be done in marks. The marks of all components as per the curriculum structure shall be added. Marks so obtained would be converted to grades following the guidelines given below:

#### Award of Grades in regular examination -

Grade A+ absolute grade only 10 % or less number of students securing A+ grade and they should have  $\geq 80\%$  marks.

Grade \*F absolute Grade for less than total 40 % marks or less than 1/3rd marks in ESE. In this case the procedure for estimating A-F grades shall be as follows

- Select number of students for A+ grades
- $K_1$  = (minimum marks of 'A+' grade -1), if A+ grade is awarded to 10% students;  
= 79, if A+ grade is awarded but number of students in A+ grade is less than 10% of total students  
= maximum marks secured in that course **or 70% whichever is greater**, if no A+ grade offered.
- $K_6 = 40$ ,  $M = (K_1 - K_6)/5$ ,  $K_2 = K_1 - M$ ,  $K_3 = K_2 - M$ ,  $K_4 = K_3 - M$ ,  $K_5 = K_4 - M$ .

<b>GRADE</b>	A+	A	B+	B	C+	C	F
<b>Corresponding Marks</b>	$>K_1$	$\geq K_2$	$\geq K_3$	$\geq K_4$	$\geq K_5$	$\geq K_6$	$< K_6$

#### Award of Grades in backlog examination-

For the award of grades to any course of backlog examination; statistical data used for award of grades for that course at the preceding regular examination shall be used.

If more than 50% students failed in a particular subject due to unseemly paper and other reasons and also justified and recommended by BoS and if Approved by the Examination Committee then grade F shall correspond to less than 35% marks in total or 30 % marks in ESE; in this case  $K_6 = 35$  and other K values shall be computed accordingly.

**Performance Indices**

**(i) Calculation of Semester Grade Point Average (SGPA)**

The performance of a student in a semester is indicated by a number called SGPA. The SGPA is the weighted average of the grade points obtained in all the courses registered by the student during the semester.

$$SGPA = \frac{\sum_{i=1}^n C_i p_i}{\sum_{i=1}^n C_i}$$

Where,

$C_i$  = The number of credits awarded to the  $i^{th}$  course of a semester of which SGPA is to be calculated.

$p_i$  = Grade Point earned in the  $i^{th}$  course.

$i = 1, 2, \dots, n$  represent the number of courses in which a student is registered in the concerned semester

The SGPA is rounded up to two decimal places.

**(ii) Calculation of Cumulative Grade Point Average (CGPA)**

Up-to-date assessment of the overall performance of a student from the time of his first registration is obtained by calculating a number called CGPA, which is weighted average of the grade points obtained in all the courses registered by the student since he entered the Institute.

$$CGPA = \frac{\sum_{j=1}^m C_j p_j}{\sum_{j=1}^m C_j}$$

Where,

•  $C_j$  = The number of credits awarded to the  $j^{th}$  course up to the semester of which CGPA is to be calculated

$p_j$  = Grade point earned in the  $j^{th}$  course. A letter grade lower than D in a course shall not be taken into consideration for calculation of CGPA

$j = 1, 2, \dots, m$  represent the number of courses in which a student is registered up to the semester for which the CGPA is to be calculated

**The CGPA is also rounded up to two decimal places.**

**Registration/re-registration fees**

<b>Sr No</b>	<b>Description (Type of candidate)</b>	<b>Registration / Admission fees (In Rs)</b>
1	A student to be absorbed from NMU, Jalgaon pattern to odd semester of autonomous pattern who has not availed any type of fee concession for referred year earlier. (Regular and fresh student for that year of the programme)	Fees as per the category of the referred student specified by DTE, MS; Mumbai for autonomous institute for that academic year.

## **Institution of Medals to best/well performing students**

**1. Award of Medals:** This regulation may be called as “**Institution of Medals to best/well performing students**” and awarded as per following guidelines.

- 1.1 In general gold and silver medal shall be awarded.
- 1.2 The gold medal shall be awarded to first topper (Rank 1 candidate) of each UG/PG programme. The topper is one who secures first position in the programme wise merit list prepared using guidelines specified in point No 2.
- 1.3 The silver medal shall be awarded to second topper (Rank 2 candidate) of each UG/PG programme if sanctioned intake of the referred programme is equal to more than 30. The second topper is one who secures second position in the programme wise merit list prepared using guidelines specified in point No 2.
- 1.4 Only one gold/silver medal shall be awarded to any candidate on the basis of the programme wise merit list prepared using guidelines specified in point No 2.
- 1.5 If any one desire to honour the toppers by sponsoring the specific amount as additional (second) medal at his/her name; it shall not be permitted as another gold/silver medal to same candidate. In addition; any medal should not be awarded to topper in any specific course either by institute its own or sponsored by someone else. These may be permitted in the form of cash prizes. It means; there shall be unique (only one) gold/silver medal for toppers of each programme and all other prizes are in the form of cash prizes.

**2. Preparation of Merit List:** The programme wise merit list shall be prepared using following guidelines.

- 2.1 The merit list shall be prepared on successful completion of all CAP activities of the respective academic year, (i.e. after declaration of the result of challenge to revaluation of re-examination of that academic year.)
- 2.2 The merit list shall be prepared on the basis of CGPA scored by candidates at the end of academic year of final year of the programme.
- 2.3 The merit list shall include only the name of those candidates who complete the programme in the minimum specified programme duration and granted eligibility by institute.
- 2.4 The merit list shall include only the name of those candidates who are promoted and declared eligible to take admission in higher class in next academic year without any backlog course. It means they shall clear all the courses of each year of programme at the end of respective academic year.
- 2.5 The merit list shall include 5 candidates if sanctioned intake is equal to more than 30 and the same shall include only 3 candidates if sanctioned intake is less than 30.
- 2.6 If more than one eligible candidate as specified in point number 2.1 to 2.4 has the same CGPA then following criterion in the same order shall be used to decide inter-se merit and assign merit number (rank) in the merit list.
  - 2.6.1 A candidate securing more audit points in co-curricular activities (for UG and PG).
  - 2.6.2 A candidate securing more audit points in extra-curricular activities (for UG and PG).

- 2.6.3 A candidate securing more CGPA at the end of T. Y. B. Tech (for UG) or F. Y. M. Tech (for PG).
- 2.6.4 A candidate securing more CGPA at the end of S. Y. B. Tech (for UG) and a candidate having lower SML number at the time of admission (PG).
- 2.6.5 A candidate securing more CGPA at the end of odd semester of S. Y. B. Tech (for UG)
- 2.6.6 A candidate securing more % of marks at S.S.C. examination.
- 2.6.7 A candidate who is elder.
- 2.7 The name of any candidate who has been punished during the tenure of his/her studies by any competent authority inside or outside the campus should not be included in merit list.
- 2.8 A certificate of merit which clearly indicates the rank/merit number in the respective programme shall be issued to all candidates whose names are included in the merit list prepared as per above guidelines.
- 2.9 All matters which are not covered otherwise in this report (later called as regulation) regarding preparation of merit list shall be determined by academic council and its decision shall mandatory at the part of all stake holder.

**3. Budgetary Provision for Medals:** The gold and silver medal shall be instituted from the interest of F. D. deposited in any nationalised/scheduled/private sector commercial bank as detailed in 3.1, 3.2 and 3.3

**3.1 Gold Medal:** The financial provision for gold medal should be made as per following guidelines.

- 3.1.1 Rs 1,11,000/- per gold medal may be deposited in any nationalised/scheduled/private sector commercial bank as fixed deposit with yearly receivable interest.
- 3.1.2 Considering the interest rate of around 9% pa; around Rs 10,000/- will be received every year as an interest, Out of which around 65% to 95% amount may be utilised for award of gold medal and remaining amount shall be deposited in corpus fund. Due to market rate variation, amount deposited in corpus fund may vary but it should not be less than 5%.
- 3.1.3 The gold medal should be gold plated silver medal with the following specifications and estimated cost with current market rates of gold and silver.

20 gram silver coin	Rs 1000
1.5 gram gold plating	Rs 4500
Labour	Rs 1000
Stand	Rs 500

---

Total      Rs 7000

3.1.4 Whenever the cost of gold medal will exceed the 95% of interest amount, the composition of gold medal should be changed to make it cost effective with the prior permission of competent authority of the institute.

**3.2 Silver Medal:** The financial provision for silver medal should be made as per following guidelines.

- 3.2.1 Rs 51000/- per silver medal may be deposited in any nationalised/scheduled/private sector commercial bank as fixed deposit with yearly receivable interest.

3.2.2 Considering the interest rate of around 9% pa; around Rs 4,500/- will be received every year as an interest, Out of which around 50% to 80% amount may be utilised for award of gold medal and remaining amount shall be deposited in corpus fund. Due to market rate variation, amount deposited in corpus fund may vary but it should not be less than 20%.

3.2.3 The gold medal should be gold plated silver medal with the following specifications and estimated cost with current market rates of gold and silver.

20 gram silver coin	Rs 1000
Labour	Rs 500
Stand	Rs 500

---

**Total      Rs 2000**

3.2.4 Whenever the cost of silver medal will exceed the 80% of interest amount, the composition of silver medal should be changed to make it cost effective with the prior permission of competent authority of the institute.

**3.3 Provision and review of FD amount:** Provision and review of FD amount for institution of gold and silver medal shall be made using following guidelines.

3.3.1 The required amount may be deposited by institute from its own funds or in the form of donation received from individual or any organisation. If amount deposited is received in form of donation; then as per the desire of donor the suitable title should be given to gold/silver medal.

3.3.2 Due to market inflation; the amount of fixed deposit should be reviewed at the end every eight years. Considering the expenditure for procuring/preparing gold/silver medals as per the market rates of that time; institute should request to donor to deposit additional amount in the form of FD so that yearly interest of FD will be sufficient to procure/prepare gold/silver medal as stated in point number 3.2

3.3.3 If the donor agrees to deposit additional amount then the gold/silver medal sponsored by him/her shall be continued.

3.3.4 If the donor does not agrees to deposit additional amount then the new donor shall be searched for gold/silver medal and the medal sponsored by him/her shall be discontinued after four years or after one year of receipt of new donor whichever occurs earlier. Accordingly students and donors shall be informed. It means students shall know about the gold medal at the time of admission.

3.3.5 For all financial matters appropriate approval shall be sought from finance committee and BoM/BoG.

**4. Design of Medal:** It shall be similar to that of NMU, Jalgaon and shall include the academic year, name of programme, name of college (Government College of Engineering, Jalgaon), title of medal (as suggested by donor if any) and name of affiliating university (North Maharashtra University, Jalgaon). It shall be approved by chairman academic council.
