The following matters were discussed in meeting:-

- i) The IQAC minutes of meeting of 4<sup>th</sup> April 2022 were discussed and approved.

- ii) The consolidated report of all courses was reviewed. The committee members suggested the use of innovative techniques for improved results and effective teaching and learning.
- iii) The IQAC suggested that the program assessment committee rigorously analyse course outcomes and take corrective measures to improve results.
- iv) The IQAC suggested that the department advisory board monitor POs of their concern courses and initiate positive measures instructed by the committee.
- v) The IQAC suggested that students be encouraged to take on industry-based projects to nourish their technical capabilities.
- vi) The attainment analysis of PEOs for all the programs was reviewed.
- vii) The IQAC suggested that, To increase competency among students, short-term aptitude training should be taken.
- viii) The members suggested that all final year students should be encouraged to pursue higher education studies, and accordingly, the academic calendar should be modified.
- ix) The goals and objectives of the prospective plan were discussed, and it was decided to initiate positive action on them for effective implementation.
