

GOVERNMENT COLLEGE OF ENGINEERING, JALGAON

(An autonomous institute of Government of Maharashtra)

Date: 16/10/2020

Notice for Students Regarding In-Semester Examination (ISE) of Fourth Year B. Tech.

It is hereby informed that In-Semester Examination (ISE-I and II) of fourth Year B. Tech. (to be held in online mode through Google Classroom and with question-papers of conventional descriptive type) will be held in the slots of -

ISE-I: 2 to 4 November, 2020

ISE-II: 23 to 25 November, 2020

Time slot for ISE-I and ISE-II is as given below:

Time slot for ISE: 11.00 AM to 12.00 PM and 4.30 PM to 5.30 PM

***Two papers (of 15 marks and 1 hour) on each day for ISE**

Method of conducting conventional type online examination:

1. Question-papers shall reach to the students through Google classroom / or through any other online medium as instructed by the respective department.
2. Students should write the answers on full-scape ruled papers in the allotted time of 1 hour, with all the details (course code, course name, PRN, name of the candidate to be mentioned on first page and PRN, course code to be mentioned on all remaining pages of the answer-book). The students should scan the answer-paper in the exact sequence of page numbers and upload a single PDF file of the answer-book on Google classroom / or through any other online medium as instructed by the respective department.
3. The scanned copies of answer-books shall be evaluated by the respective course-teacher in the on-screen mode and note down the question-wise marks and total marks on a separate sheet of paper.

Detailed time-tables of MSE shall be displayed by the respective department.
