**About Institute:**

The Government College of Engineering, Jalgaon (GCOEJ), Established in the year 1996, is an Autonomous Institute of Govt. of Maharashtra. The Institute is AICTE approved and affiliated to North Maharashtra University, Jalgaon. The institute conducts six undergraduate engineering courses namely Civil, Computer, Electrical, Electronics and Telecommunication, instrumentation and Mechanical Engineering. The institute has post graduate courses in Electronics and Telecommunication Engineering with specialization in Digital Systems. The institute is selected by Central and State Government for Technical Education Quality Improvement Programme (TEQIP) phase-II.

**Objectives:**

1. The main objective of this workshop is to create awareness of mathematical modelling for research activity amongst the students.
2. To understand the basic concepts of mathematical modelling in Civil Engineering.
3. To demonstrate the effectiveness of mathematical modelling approach through model development simulation and validation.
