About Institute

The Government College of Engineering, Jalgaon (GCOEJ), established in the year 1996, is an Autonomous Institute of Govt. of Maharashtra. The Institute is AICTE approved, NAAC Accredited and affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. The institute conducts six undergraduate engineering courses namely Civil, Computer, Electrical, Electronics and Telecommunication, Instrumentation and Mechanical Engineering. Two programmes of the institute, Instrumentation and Mechanical Engineering have been accredited by National Board of Accreditation (NBA) New Delhi in year 2018. The institute is selected by Central and State Government for Technical Education Quality Improvement Program (TEQIP) phase-III.

Jalgaon City

Jalgaon is a historical city and premier educational center in Khandesh region of Maharashtra State in INDIA. World famous Ajanta and Ellora caves are in close vicinity. City is well connected by rail and road transport. The Jalgaon city is 20 Km from Bhusawal railway junction which is one of the largest railway yards of the Indian subcontinent and 150 Km North of historic city, tourism capital and Central City of Maharashtra: Aurangabad.

Background

To achieve success in the world, one must study the trends, according to which the world works. Outcome based education has proven a mile stone in the development of higher education across the world. The concept of Education has now changed, and it is associated with preparing students to accept the challenges in real life. In addition, it is of prime importance that the

students must inculcate the required technical as well as life skills in institutes itself. Therefore, the role of Institute in providing higher education is of prime importance.

Course Scope

The FDP is intended to cover the major aspects of outcome-based education. Also, the accreditation processes like NAAC and NBA and preparing for these accreditations will be addressed by key speakers. In addition to this, the FDP will cover the aspects related to skill development of students and employability enhancement initiatives to be taken by institutes in association with industries.

Resource Persons

Experts are invited from reputed industries and institutes.

Eligibility

Teaching staff of Government Engineering Colleges / Government Pharmacy Colleges. The numbers of seats are limited (maximum 25).

How to apply

Eligible candidates may apply by submitting the scanned copy of the filled in registration form (attached with this mail/ brochure) by email to jadhaovikas@gmail.com and cc to rvmahajan@zoho.com on or before 15-01-2019.

Accommodation and TA/DA

The participants have to make their own arrangement for stay during the course, however the list of hotel and guidance will be provided by the coordinator. Participants will be provided TA/DA as per government rules. (Max third AC railway fair to

and fro will be allowed). Tea and lunch will be provided during training period.

Registration Fees

Teaching staff of Government Engineering Colleges / Government Pharmacy Colleges are exempted from registration fees.
