Proceedings:

The meeting started at 01.30 PM. Prof.M.P.Bhusari greeted all the members of the BOS and explained the reason of the meeting.

Prof. S.D.Ahirrao read agenda of 10th meeting of Board of Studies.

Item No. 1:

To discuss and approve structure and syllabi of the courses of first year U.G.Programm of Science and Humanities board

1.1] The structure of first year B.Tech all branches and both semesters presented by Prof.S.D.Ahirrao and it is approved by all members without any suggestions.

Prof. S.D.Ahirrao read Agenda of the 10th meeting of Board of Studies and all the members approved it.

1.2] Dr.B.R.Sankpal suggested that in the syllabus of Lab Physics one experiment on Hall Effect must be added.

1.3] Prof. M.P.Bhusari suggested that as per the decision in ACE meeting the units of the syllabus should not have number of lectures hence it should be removed from Physics syllabus to preserve uniformity.

1.4] Dr.Maya Katariya suggested that atleast one experiment on Chromatography must be there in Lab Chemistry syllabus . Prof. Bhusari accepted and added the experiment.

1.5] Dr. A.Y.Badgujar suggested that in the unit Career Skills Resume or C.V. Building contents must be added. Prof.S.S.Patil accepted the above suggestion and it is added in the syllabus.

1.6] Prof.Dr. V.S.Patil suggested that some syllabus of different units must be reduced in the subject Mathematics I & II ,it is noted by Prof.S.D.Ahirrao and corrected syllabus is presented by him.

According to the Item no.1 all the above suggestions are incorporated in final syllabus and it is approved in the same meeting by all the honorable present members of the BOS.

Item No.2 :

To discuss and approve the constitution of examination pannel of] different subjects in Science and Humanities .

Prof. S.D.Ahirrao prsented examination pannel of different subjects in Science and Humanities.It is discussed at the length some names are suggested by honourable members are added into the pannels and finalized.(List of pannels are attached herewith)

Item No.3:

Any other points by the permission of Chairman.

Dr.S.S.Selukar suggested that there should be practical examination for all subjects in first year so as to have seriousness in the students in performing the experiments all other members accepted the suggestion and requested Chairman to communicate this in MOM.

As per the suggestions of all the members this point is being communicated to APEC.

*As per the suggestions and decisions taken in the BOS meeting these minutes of meeting are being forwarded to APEC

* All present members of this BOS have unanimously agreed all the points taken for discussion along with the decisions.

After the discussion by all members, Prof. S.D.Ahirrao gave vote of thanks.
