No. GCOE J/INSTRU/BOS/2020/ 176

Date:16/08/2020

To,  
Hon'ble Members,  
Board of Studies- Instrumentation Engineering,  
Govt. College of Engineering, Jalgaon.

Subject: Minutes of Meeting of the tenth Board of Studies of Instrumentation Department meet held on Monday, August 10, 2020 through online WebEx Meet.

Dear Sir/Madam,

The tenth meeting of Board of Studies of Instrumentation Department was held on Monday, August 10, 2020. Following members were present for the online meeting-

Dr. G. M. Malwatkar(Chairman BOS), Dr. S. P. Mohani (Dean Academics and Invittee member), Dr. M. R.Bongulwar, Dr. V.D.Hazare, Dr. P. S. Shingare, Shri. Prashant T. Bhosale, Shirish Adam, Prof. S. R. Shiledar, Prof. U. M. Thorkar, Dr. P. J. Gaidhane, Dr. G. V. Lakhekar,

Meeting started with welcome of all Hon.Members by chairman. Following points of the agenda notes were discussed at length and some suggestions and conclusions were drawn unanimously which are given below

### Item No 1

#### ***MTech structure presentation/discussion/approval***

Chairman briefed to all members about the MTech structure. Dr. V. D. Hajare and Dr. M. R. Bongulwar suggested that course names can be changed after discussion in Departmental faculty Board. The MTech structure is more inclined towards Instrumentation and Control, though the title of course is MTech(Electrical Instrumentation and Control Engineering). Following points resolved at the end of discussion

- Currently, as the MTech structure and syllabus has already been approved in last Academic council. The same may be implemented for current academic year.
- The suggestions will be implemented after discussion in DFB and APEC. The same will be put forth for approval in Academic Council.

### Item No 2

#### ***List of UG courses and Equivalence for M Tech (Electrical Instrumentation and Control Engineering) Admission.***

BoS noted and approved that the following information should be sent to concerned approving authorities University/State Government as a eligibility criteria for the admission to MTech (Electrical Instrumentation and Control Engineering)

Faculty: - Science & Technology  
Institute: - Government College of Engineering, Jalgaon  
Department: - Instrumentation Engineering Department  
Course: - M. Tech. Electrical Instrumentation and Control Engineering.

Sr.No.	Name of course	Eligibility Criterion
1	M. Tech. Electrical Instrumentation and Control Engineering	Candidate should have passed a bachelor degree (B.E./B. Tech) in appropriate/allied branch of Engineering & Technology either from this University or institutes/ Universities recognized by A.I.C.T.E./ UGC.

**List of appropriate / allied branch eligible for admission to M. Tech. Electrical Instrumentation and Control Engineering.**

Instrumentation Engineering,  
Electrical Engineering,  
Instrumentation & Control Engineering  
Electronics Engineering,  
Electronics & Telecommunication Engineering  
Electronics Instrumentation Engineering  
Electronics Instrumentation & Control Engineering  
Bio Medical Instrumentation/Engineering  
Electronic and Instrumentation Engineering  
Electrical and Instrumentation Engineering.  
Industrial Electronics Engineering  
Electronics and Communication Engineering.
